

## IMPORTANT NEWS – ALL RACERS

### NEW FLEET ARRANGEMENTS (Trial) HANDICAP SERIES 2 STARTING 4<sup>TH</sup> JULY 2010

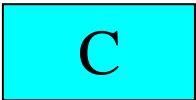

During Handicap Series 2 (4<sup>th</sup> July to 31<sup>st</sup> October inclusive) the Sailing Committee has decided to reorganise the FAST and MEDIUM fleets into and Asymmetric and Standard Fleets. The Asymmetric fleet will be fleet 1 and the standard fleet will be fleet 2.

Hopefully it will be clear which fleet you fit into – if you have any questions please ask a member of the Sailing Committee who will be happy to advise you.

The **trial of this fleet split** will take place for the whole series - at the end all boats that have raced will be asked their opinion - if the trial is successful the split may be introduced permanently for the 2011 season.

During the period the Cat and slow fleets remain unchanged.

Start Order	Fleet	Fleet Flag
